L.O. Orders on page 3 above.

The file referred to on p.3 above has since been received from P.W. Dept, and are put up at the top.

2. With reference to the notes on page 3 above a copy of G.O.Ms. No. 1400 Agri. dated 23-5-55 is put up at flag (P) ~~below~~. in the top file.

3. In the case of the construction of the buildings for clinical laboratory for Kancheepuram and Coimbatore, P.W. Dept. have interpreted the Chief Engineer's letter as amounting to his concurrence to reduce the cost from Rs. 9,500 and 9,300 to Rs. 8.500/- and 8,300/- respectively, but wanted to ~~made it conferred~~ have it confirmed by Chief Engineer in the first instance. Finance however held that the Chief Engineer's reference is definite and no further reference to him is necessary, and that orders in circulation ~~may~~ might be obtained for sanctioning the buildings at a cost of Rs. 8,500 and Rs. 8,300/- respectively. P.W.Dept, have since accepted the views of Finance. The files are being circulated to M(A), M(W) and M(F&E) for orders.

4. It is submitted that in the case under consideration the estimate amounts to Rs. 8,8,000/-. As the Chief Engineer agreed to have a reduction made in the estimates submitted by the D.A.H. in respect of the Clinical laboratory buildings at Kancheepuram and Coimbatore it is possible that he may agree to make a reduction in the estimate for the building at Koila. The Chief Engineer may therefore be consulted.

P.W. and Finance may see for remarks.
